

STEVE ROBERTS

PRINCIPAL, BRISTOL STUDIO

Qualifications

HND in Stage Management with merits in sound and lighting from the Central School of Speech and Drama, London.

City and Guilds 181 Entertainments and Theatre Electricians, parts 1 & 2

Professional Associations

Secretary of the Institute of Theatre Consultants

Professional member of the Association of Lighting Designers

Full member of the Association of British Theatre Technicians

Affiliate member of CIBSE, Member of the SLL

Member of the editorial board for the International Theatre Engineering & Architecture Conference 2014

Main Responsibilities

Responsible for the day to day operations and business development of our Bristol Studio in liaison with the UK senior management team. Steve also provides project management and consultancy on all aspects of theatre design, with special emphasis on stage lighting and stage engineering systems.

Experience

Steve has over thirty years of experience working in technical theatre. After working as a Chief Electrician, a Lighting Designer and a Production Manager he worked as a Project Engineer for Lighting Systems International working on projects including the Malaysian National Theatre. Prior to joining Charcoalblue Steve worked with Carr & Angier and, more recently, with Anne Minors Performance Consultants where he was responsible for the design of their projects' technical systems.
